

WWII STORY BOARD PROJECT

Create a Story Board of WWII that includes all of the events listed in the event box. Your story board must include the following:

1. A short explanation (8-9 sentence paragraph typed using Times New Roman 12 Font) of each event in the order they appear in the event box
2. Several historically correct illustrations and or pictures of each event
3. When an event is a turning point in the war explain the cause and effect of the event (10-12 sentence paragraph typed using Times New Roman 12 Font or you may make a table which displays graphically the cause and effect)
4. The project will count as a quiz grade.
