

Directions : Germany swept across Europe and with the fall of France, only Britain stood in the way of Hitler’s conquest of Europe. Hitler though, paused because of the lack of naval equipment needed to invade Britain and instead attack his ally the Soviet Union bringing Stalin into the war on the side of the Allies. A new front was opened and when the U.S. entered the war Britain began to get the help it needed. Complete the definitions below and the required information in the graphic organizer.
